#### NOTES AND PERSONALS OF SOCIETY

Better trust all and be deceived.  
And weep that trust and that receiving,  
Than doubt one heart that is believed.  
Had blessed one's life with trust believing.  
Oh, is this mocking world too fast  
The doubting friend o'rtakes our youth;  
Better be cheated to the last  
Than lose the blessed hope of truth.  
—Francis Anne Kemble.

#### SUFFERED AWFULLY NOW QUITE WELL

A Lady's Suffering Was So Intense, That At Times, She Was Unable To Straighten Her Body.

Walnut, N. C.—"About 12 years ago," says Mrs. S. W. McClure, of Walnut, "I began to fail in health, getting worse all the time. I was not able to do my work, suffering awfully at times with pains in sides, especially the right side, and none of the time was I well. Sometimes I could not straighten up my body for the intense suffering. I suffered more or less all the time and was irregular. As Cardui had helped others, I started trying it. I bought six bottles, and after using two or three bottles, I commenced improving, getting better all the time, until I was entirely well. I became strong and healthy, gained flesh, weighing 120, being just a shadow when I commenced taking Cardui. My work is a pleasure, and I feel like doing my work since, for the cure was permanent, and I have been well and strong ever since. Cardui is a fine medicine for suffering women, and I recommend it to all my friends who have womanly troubles." Thousands of women have written to tell of the help Cardui has been to them. Cardui is a mild female tonic, acting especially on the womanly organs. It has shown itself of great value to sick, weak women. It is surely worth a trial. Begin taking Cardui today.
